ABOUT VICKIE

Vickie Miller is a world-renowned spiritual teacher, intuitive, and master energy healer with over 20 years of experience helping individuals unlock their innate power and create transformational change.

She is recognized for her dynamic presence on stage and her ability to guide audiences through deep energetic shifts—supporting the release of internal blocks, elevation of personal frequency, and alignment with purpose and abundance. Her approach integrates intuitive insight, energy healing, and manifestation principles to create lasting transformation at both individual and collective levels.

Vickie has been featured in national media, including Ripley’s Believe It or Not, and is a Hay House Publishing “Mover and Shaker” award recipient. She is also the founder of Magical University, a training platform dedicated to intuitive development and energy mastery.

She is the author of multiple books that expand on her teachings on manifestation, energy healing, and personal transformation.

Her work also includes intuitive communication and energy work to heal animals—including horses, dogs, and companion animals. She offers insight into emotional patterns, energetic balance, and the human–animal connection. This dimension of her practice reflects her broader philosophy that energy is a universal language that influences healing across all living beings.

Media & Recognition

"I'd been floored by how much she could sense about me, my family, my friends. I hadn't believed in any of it until then."

— Modern Loss, Zibby Owens

Vickie has been recognized across media and publishing platforms for her work in intuitive development, energy healing, and transformational guidance. Her ability to create powerful, experiential shifts has made her a sought-after guest for podcasts, events, and speaking engagements.

CLIENT TESTIMONIALS

"One of the most transformative experiences of my life. I left feeling lighter, grounded, and finally trusting my intuition." ~ Kimbrell

"Vickie's VIP healing day was truly life-changing! We did past life healing, cord cutting, movement, meditation, and kundalini awakening—exactly what my soul needed. I felt lighter, more grounded, and confidently set boundaries without fear or guilt. Investing in this experience was the best decision for my healing journey. Don't hesitate—this work is transformative!" ~ Jane

"I have regularly used Vickie for almost 10 years to communicate with my animals. She has helped guide my vets and me through several difficult-to-diagnose issues with my horses, and has made a huge impact on my ability to keep my animals happy and healthy!" ~ Laurie, Fox Leah Farm

A month after Cooper's reading and healing, our rescue Frenchie is thriving. He's gained two pounds, is finally filling out, and his playful personality has come alive—ruling the house and playing with toys nonstop. Thank you for helping him become healthy and happy. ~ Shelley

Vickie has helped provide insight into the emotional state and wellness of my horses... from releasing their past trauma or current frustration to helping me heal from the sudden loss of a horse after colic surgery. My horses and I are better for it. ~ Celine

"Vickie is an amazing energy healer and medium. She has helped me so much with my traumas and heartaches in my life. She's shown me how to perceive things differently with a positive spin. I can now move on and be in the moment without wallowing in the would-haves and should-haves." ~ Joanie

"Two days after Vickie's energy session, I woke up with a dramatic reduction in symptoms from my traumatic brain injury. It was truly mind-blowing. I'm incredibly grateful for the healing and guidance she provided." ~ David
